Michael S. Dell

23rd February, 1965

Founder and CEO of Dell

Michael Saul Dell, born in 1965, is an American entrepreneur renowned for founding Dell Technologies in his dormitory room at the University of Texas at Austin in 1984. His early career saw him revolutionizing the personal computer industry by pioneering the direct-to-consumer model, which significantly reduced costs. Dell's remarkable achievement lies in transforming his startup into a multinational technology corporation, becoming a billionaire and a prominent figure in the world of business and technology.

Azim Premji

24th July, 1945

Founder & Chairman of Wipro

Azim Premji is an Indian business tycoon who inherited Western Indian Vegetable Products Limited (WIPRO) at a young age after his father's death. He pursued his education at Stanford University but returned to lead WIPRO in 1966. Under his visionary leadership, WIPRO evolved into a global IT services giant, and Premji's philanthropic efforts, including significant contributions to education, have earned him recognition as one of India's most influential and socially responsible business leaders.

Ratan N Tata

28th December, 1937

Indian Entrepreneur and Chairman of the Tata Group

Ratan Naval Tata, born in 1937, hails from a prominent Indian business family and received his education from Cornell University and Harvard Business School. He embarked on his career with the Tata Group in the early 1960s, gradually ascending the corporate ladder. Ratan Tata's most notable achievement is his stewardship of the Tata Group, one of India's largest and most diversified conglomerates, during which he oversaw its global expansion, acquisition of iconic brands like Jaguar Land Rover, and commitment to social responsibility, leaving a lasting legacy in the business world.
